Headline:
Dry and mostly sunny today and feeling warmer.

This Evening and Tonight:
Staying generally dry but becoming cloudy from the west with perhaps the odd spot of rain here and there by dawn. Temperatures recovering during the second half of the night with it feeling rather warm by dawn. Minimum temperature 8 deg C (46 deg F).

Thursday:
A rather cloudy but dry day with a few bright or sunny spells at times. Feeling fairly warm for the time of year despite the southwesterly breeze. Maximum temperature 20 deg C (68 deg F).

Outlook for Friday to Sunday:
A fine and warm day on Friday after the clearance of morning mist and low cloud. Some patchy light rain sinks south on Saturday with brighter conditions develop for Sunday.
